Dissemination of Abstracts in Physics and Chemistry Sections of
the "Referativnyy Zhurnal"

25X1A

RET : Telephone conversations between [REDACTED]
FDD, same subject, 16 April and 2 May 1957

1. FDD has been requested by OSI to translate desired abstracts in the Physics and Chemistry sections of the "Referativnyy Zhurnal" which are based on articles in Sino-Soviet scientific journals.

2. It is estimated that approximately 2000 abstracts will be translated from the two sections monthly. The translated abstracts will be reproduced on 5 x 8 cards and disseminated to interested consumers.

3. Submitted below are the results of a partial survey of IAC representatives to the Subcommittee on Exploitation of Foreign Language Publications and indicated CIA offices which was made to determine the dissemination required for the new product. For your information, FDD did not survey any non-IAC agencies.

Army	6
Navy	3
Air Force	10
NSA	1
CIA	7

BR/OCR	6
FDD	1
OSI	Will use BR/OCR files

4. The above partial dissemination, as drawn by FDD, is submitted for completing your survey, revision or approval.
